

SALE-A-BRATION

AT SCHUMACHER'S NURSERY

Greetings. We at Schumacher's are with you. This economy hasn't let anyone escape, that said. It is time for our August Sale-a-bration.

Our prices are already very reasonable. For those of you that haven't made it here yet this year. We have had most of our **4"** **at \$1.50 a few at \$2.00.** For a short time starting August 1, you can **buy 2 and get 1 FREE.** That equates to a free flat value \$27.00 if you purchase 2 flats. Our lantana in 4" we have truck loads of now for 50 cents each.

All other plants 10% off.

For those that are not familiar with our plants, they are the ones that thrive better in this climate than we do. Most of our plants are native and what isn't native is perennial and drought tolerant. They have had the test and adapted to the area quite successfully.

This sale will be for the month of August only.

Come see us we have a lot of blooming nice stock! Butterflies, Hummingbirds and Honey Bees are free with our plants.

We have been **opened on Sundays**, for those of you who have not been to the Nursery lately.

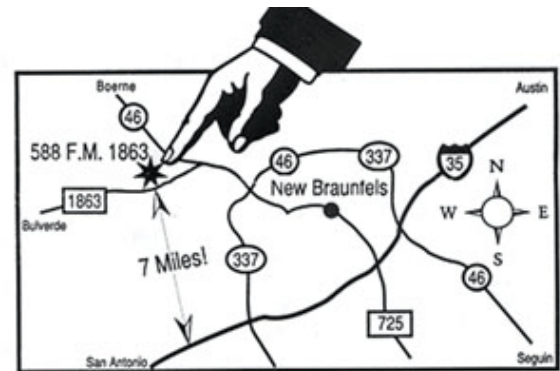

For the sale we will continue to be opened also on Sundays from 2 pm until 6 pm.

Our store hours are 10 until 4, Tuesday thru Saturday, and closed Monday.
