

HILL COUNTRY GARDENS

'Weeds to Roses'

SCHUMACHER'S

October brings more rain, more ideal planting conditions, more sale pricing and more Fall color.

Our September clearance sale, with the collaboration of the rain, was a resounding success. The nursery has come alive with lots of familiar faces coming to take advantage of super savings on all the hardy perennials we have that are ideally planted in Fall.

We are continuing our **4 inch at .75** and **one gallons at \$3.00**. **3 gallon ornamental grasses and other shrubs at \$9.50**. **Our larger 15 gallon plants are now \$50, regular price \$95.00**. These prices too good to miss!!

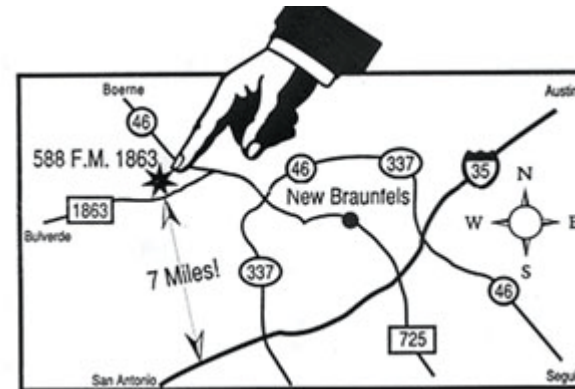

Thank you to all that helped our endeavor. We hope that you can make it out if you missed the first part of our sale. There are lots of great plants out here.
